

I want to Host a Party!

R1:99 is currently offering home outdoor parties for 12 people or less as this helps us ensure social distancing. They need to be scheduled at least 4-6 weeks in advance and can be designed to meet your needs and desires. It can have a theme such as a DIY spa afternoon, baby or wedding shower, or learning more about the benefits of natural products. *At this time, parties are only available on Fri evening, Saturday, or Sunday afternoon or evening.*

You may choose the types of products that you would like to have. Sugar and salt scrubs have a short shelf life of approximately two months. Therefore, they are made on a pre-order basis only. If you have a specific scent that you are interested in please let us know and we are happy to make it for your party.

There is no fee for parties if products are only sold. However, for the DIY spa day, where R1:99 products will be used by guests, there will be a per person fee. At this time, payment can only be made through Venmo — we do not accept credit cards due to the service fee.
